INTRODUCTION

Empire Pacific Investigative Services Inc., established in 1993 by three retired U.S. Federal Special Agents, offers a diverse range of investigative services individually tailored to our clients' specific needs. Throughout its years of service, E.P.I.S. has enjoyed an enviable reputation based on dedication to client service. Each member of our staff is highly skilled, thereby ensuring a knowledgeable team proficient in every phase of the investigative field. These phases include Domestic Surveillance investigation; one of the most common reasons private investigations is sought out. With E.P.I.S. Surveillance investigation we can give you the results you need for real peace of mind. Another area we specialize in is Domestic Surveillance. At E.P.I.S., our investigators are highly experienced in every method of surveillance. Our investigators are equipped with most advanced tools necessary to capture evidence in nearly any imaginable surveillance scenario.

Surveillance is an E.P.I.S. specialty. We are highly experienced in all type of surveillance, including the placement of agents within organizations to detect theft, malpractice, insurance surveillance and for most spousal surveillance cases. Our investigators are equipped with most advanced tools necessary to capture evidence in nearly any imaginable surveillance scenario. We have a vehicle for every situation involving "tailing", or the following of a subject. We offer remote video surveillance using covert video cameras, long-range photo, and body worn hidden cameras to produce all the necessary evidence. Our surveillance investigators have climbed into hollowed-out trees; ridden bicycles; motorcycles; walked dogs and used many other creative techniques, and they never trespass or break any harassment or anti-stalking laws while doing so.

Empire Pacific Investigative Services Inc. is a full service licensed, Insured and bonded private investigation agency. Our National Headquarters is located in Los Angeles, CA and our parent company in Las Vegas, Nevada. Overseas, we are a registered company under the name of Empire Pacific Group in Australia and the Philippines.

E.P.I.S. Surveillance

As year after year passes, E.P.I.S. Surveillance investigation in California, come across cases where the client have either neglected to accept the idea that their spouse is a very alert and aware of infidelity or they have completely underestimated their spouse or lover.

Many of the techniques used by San Diego private investigators who concentrate in this type of occupation are known to the cheater. They know how to look for surveillance or a tail when traveling to meet their lover. They will be cautious with their home computer which might be monitored. They know that phone numbers can be traced. This makes it vital that you do not give them any reason to be more watchful or attentive.

At E.P.I.S., our investigators are highly experienced in every method of surveillance. Past cases have included investigators detecting espionage, larceny, malpractice, etc. from within organizations or companies. Our investigators are equipped with most advanced tools necessary to capture evidence in nearly any imaginable scenario.

It is our practice to submit full written reports or statements as required, on a day-to-day basis, to the client in order that they are fully informed of developments.

E.P.I.S. Surveillance investigators - San Diego Private Investigators, San Bernardino Private Investigators utilizes passenger cars, sports utility vehicles, vans, trucks, stationary vehicles, and roadwork vehicles. We have a vehicle for every situation. For those surveillance situations when a vehicle will not work, we have surveillance specialists with expertise in on-foot surveillance and long-range surveillance. These specialists have climbed into hollowed-out trees; shinnied through poison oak; crawled through deer trails; climbed mountains; ridden bicycles; skateboards; skates; scooters; and motorcycles; jogged; walked dogs; sold items door-to-door; and used many other creative techniques; and they never trespass or break any harassment or anti-stalking laws while doing so.

Ask about our long-distance video lenses that can clearly film an individual from up to one-half mile away! Surveillance investigations often require hidden cameras. All of our investigators carry one and know how to use it. When E.P.I.S. Investigations is on the job, you will get film of individuals eating at restaurants, arriving at airports, and entering and exiting hotel rooms. No matter what your particular needs, we get the film!

All of our reports contain photographs taken from the actual video film depicting highlights of the investigation. This allows you to see the activities captured on videotape without having to actually view the film. Identifying photos of the subject and the subject's residence are also included.

E.P.I.S. is a specialist supplier of surveillance and investigatory services, providing our clients with critical information and video evidence to resolve complex issues and minimize exposure to fraud and associated malpractice.

Below are the lists of areas that Empire Pacific Investigative Services Inc., covers within 8-24 hours response time.

To indemnify compliance with all local policy, all investigators remain regionally licensed and insured individually. Depending on regional requirements, each private investigator may be licensed and insured individually and may act as a sub-contractor. In other areas they may be regionally licensed as an individual but employed directly as E.P.I.S. Inc., staff. Regardless of the technical method of maintaining each E.P.I.S. regional agents. All private investigators must meet and maintain E.P.I.S. rigid standards of quality. E.P.I.S. nationwide services remains focused on getting results one case at a time.
